CALL FOR PAPERS

THE 16TH INTERNATIONAL ISKO CONFERENCE

KNOWLEDGE ORGANIZATION AT THE INTERFACE

6. – 8. JULY 2020, IN AALBORG (DENMARK)

The conference will take place at Aalborg University, Department of Communication and Psychology, under the theme Knowledge organization at the interface.

The conference explores the connected themes of knowledge organization systems and their role in knowledge organization, knowledge sharing, and information searching. The conference will consider practical solutions as well as the theory behind the design, development and implementation of knowledge organizing systems, ranging from controlled vocabularies, classification systems, metadata schemas through to ontologies and taxonomies.

Topics include:

- Knowledge organization across domains, media and technologies
- Knowledge organization as understanding and communication

- Knowledge organization as a driver for development and change

We welcome proposals for full papers, short papers, posters, round table discussions, and workshops.

All accepted papers will be published in the conference proceedings.

We look forward to welcoming the KO community to Aalborg, Denmark.

Marianne Lykke (chair)

Tanja Svarre (Co-chair)

Mette Skov (Co-chair)
